publication

2024

LEADERS SHAPING THE FUTURE
OF TRAVEL AND TOURISM

A bespoke publication

The *ATM Yearbook 2024* is a high-end publication dedicated to showcasing the best in travel to a global audience of influential industry professionals.

Part of the highly regarded *ATM Yearbook* series, a partnership between RX Global, the organiser of Arabian Travel Market and GT Media ME, a leading publisher of business intelligence journals, the publication features exclusive content on leading industry figureheads and entities from the Middle East and globally.

A bespoke title supported by the most prestigious names in travel and tourism, from global organisations and tourism ministers to leaders of destinations, airlines and hotel companies, the *ATM Yearbook 2024* is the only industry resource of its kind.

Highlighting the achievements and ambitions of those shaping travel's future, the publication provides ATM exhibitors with a unique opportunity to present their brand and vision in an attractive print and online format.

Further benefits can include video interviews conducted at the show, which are embedded in the digital version and broadcast on social media and the official ATM YouTube channel.

The highest online engagement of any travel industry title in the Middle East

A new dawn for Historic Jeddah

The regeneration of Al Balad not only preserves the history and heritage of a UNESCO World Heritage site, but breathes new life into its authentic cultural experiences, with enhancements ranging from boutique hotels to a new waterfront development

RENEWING HISTORIC JEDDAH

In line with the Kingdom of Saudi Arabia's Vision 2030 goals, Jeddah Heritage District is the result of an innovative restoration project to transform the area into a hub of creativity, combining local culture and contemporary architecture. The project aims to preserve the historical and cultural heritage of the district, and to create a new urban landscape that is both modern and respectful of the city's rich history.
